PRODUCT 1: NASMA EMBOSSED 2-PLY MAXI ROLL

Centerfeed Ready • High Absorbency • Lint-Free

NASMA EMBOSSED 2-PLY MAXI ROLL (TWIN PACK) • STUDIO DISPLAY

NASMA Embossed 2-Ply Maxi Roll

HIGH-CAPACITY CENTERFEED PAPER TOWEL

High-capacity, centerfeed-compatible 2-ply embossed paper towel rolls engineered for fast liquid absorption, oil pickup, and streak-free industrial cleaning.

Twin Pack (400 Sheets)

4-Pack Bundle (200 Sheets)

Removable Center Core

Manufactured in UAE

- Heavy-Duty 2-Ply Construction:** Enhanced wet tensile strength prevents tearing and shredding during intensive wiping.
- Textured Diamond & Floral Embossing:** Point-to-point pockets maximize liquid retention and rapid grease pickup.
- Perforated Sheets:** Precision perforations ensure easy tearing and seamless compatibility with standard centerfeed and wall dispensers.
- Lint-Free Performance:** 100% safe and lint-free for commercial food contact surfaces, countertops, and glass cleaning.

TARGET COMMERCIAL APPLICATIONS

- Commercial Kitchens, Restaurants, Bakeries & Food Prep Counters
- Automotive Workshops, Garages & Industrial Manufacturing Plants
- Facilities Management, Airports, Malls & High-Traffic Restrooms
- Cleaning Contractors, Janitorial Services & Medical Laboratories
